UGC CONTENT CREATION AGREEMENT

This Agreement is made between Lumora Skin Co. ("Brand") and the undersigned content creator ("Creator"), effective on the date of signature.

1. Deliverables

Creator will produce three (3) short-form vertical videos, 30 to 60 seconds each, featuring the Brand's Daily Glow Serum, plus one hook variation per video.

2. Compensation

Brand will pay Creator a flat fee of $300 USD for all Deliverables. Brand will also send one full-size product for use in the videos.

3. Payment Terms

Payment will be made within ninety (90) days after Brand's final written approval of all Deliverables.

4. Revisions

Creator shall make all revisions requested by Brand until Brand is satisfied with each Deliverable.

5. Usage Rights

Creator grants Brand an irrevocable, perpetual, worldwide, royalty-free license to use, reproduce, edit, and distribute the Deliverables in any media now known or later developed, including paid social advertising, whitelisting, and television, without additional compensation.

6. Name, Likeness and AI

Creator grants Brand the right to use Creator's name, image, likeness, and voice, including to create AI-generated, digitally altered, or synthetic versions of the Deliverables and of Creator's likeness and voice for future marketing.

7. Ownership

All Deliverables are works made for hire. Brand owns all rights, title, and interest in the Deliverables, including all raw footage, which Creator will deliver at no additional cost.

8. Exclusivity

For twelve (12) months after the effective date, Creator will not create content for any other skincare or beauty brand.

9. Cancellation

Brand may cancel this Agreement at any time before final approval, in which case no payment is owed to Creator.

10. Disclosure

Creator will label each post as an ad or paid partnership as required by FTC guidelines.

11. Confidentiality

Creator will not share the terms of this Agreement or unreleased product information without Brand's written consent.
